

Product Change Notification

TE Connectivity

Product Change Notification: P-18-015814

PCN Date: 10-MAY-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

RE & REL relay series (version with AgCdO contact)

Description of Changes

The following part numbers are being obsoleted (obsolete status). A last time buy opportunity is provided as per the dates stated thereafter. Proposed alternative types of relay are offered in below table. Please note that new conditions may apply, please contact your local customer sales representative for inquiries.

[RE & REL substitution list](#)

Reason for Changes:

Part status change.Discontinuance. Dear Customer, You are receiving this notification because TE Connectivity has record of you purchasing a part or multiple parts on the list below. According RoHS restrictions cadmium is only allowed to be used per an exception which is currently in discussion to be expired. In this situation first suppliers stop production of AgCdO contacts. To avoid short term decisions due to updated RoHS restrictions or due to supply problems of AgCdO we decided about regular discontinuance of the part numbers mentioned in this PCN. Well proved RoHS conform alternatives are available.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
---	---

30-APR-2019

Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
--	---

30-SEP-2019

No Mixed Shipments
