

JKL's RoHS STATEMENT

RoHS COMPLIANCE

JKL products produced after January 1, 2006 meet or exceed lead-free requirements under RoHS Directive (2002/95/EC) however, JKL does offer specialty and service items that are no longer exempt from RoHS due to changes made to the Directive with the revisions; (2011/65/EU) and (2015/863).

Please contact JKL for statements specific to the product of interest.
